# PR Committee, Thursday 10<sup>th</sup> May, Lille:

- ✓ Blue Dot Coffee worked out and many new
- ✓ Use of “Game of Hearts “ as an ice breaker worked well
- ✓ T-Shirts were sold in sale 15 Euros
- ✓ Ideas for attracting “early carrier” or young researchers discussed

A lot to do in the conferences, also PR Committee is suggested to work more to increase the visibility of the work done here in EGPRN to the members more and more.

A discussion point may also be how to strengthen the mutual relation and collaboration with Partner Organizations

A discussion may be on any benefit of translating the work done in general practice to Public
